

INTRODUCTION TO NEUROTOXINS (ONDEMAND)

CME/CE INFORMATION

September 5, 2024 – September 5, 2025

This activity is jointly provided by Global Education Group and Aesthetic Mentor.

Target Audience

Introduction to Neurotoxins is designed for medical professionals holding an active and unrestricted license in their field of practice. No previous experience in medical aesthetics is required.

Statement of Need/Program Overview

Introduction to Neurotoxins is Aesthetic Mentor's accredited foundational course for medical professionals interested in learning the art of cosmetic neurotoxin injections because neurotoxin is not only the most sought-after injectable treatment but also the gateway to all other injectable skills.

The 2.25-hour didactic portion of the course is offered as a web-based, On-Demand activity. Students who enroll for the Introduction to Neurotoxins program will first need to complete the 2.25-hour enduring program on their own time. After successfully completing and passing the On Demand course, students will then enroll into the second portion of the course, which includes live demonstrations and hands on instruction.

Educational Objectives

After completing this activity, the participant should be better able to:

- Describe the pharmacology of botulinum toxins
- Review the mechanism of action of neurotoxins
- Identify patient characteristics that support the use of neurotoxin treatments
- List the proper dosing regimens
- Demonstrate proficiency in an aesthetic assessment & consultation
