

INTRODUCTION TO DERMAL FILLERS (ONDEMAND)

CME/CE INFORMATION

September 6, 2024-September 6, 2025

This activity is jointly provided by Global Education Group and Aesthetic Mentor.

Target Audience

Introduction to Dermal Fillers is designed for medical professionals holding an active and unrestricted license in their field of practice. No previous experience in medical aesthetics is required.

Statement of Need/Program Overview

Upon completion of this course, participants are able to identify anatomical landmarks for safe injection of dermal fillers, become familiar with the array of hyaluronic acid (HA) and non-HA fillers available in the United States, learn techniques to optimize safety for mid-face and lip injections with dermal fillers, manage adverse events and practice basic techniques with a variety of HA fillers.

Educational Objectives

After completing this activity, the participant should be better able to:

- Describe the pharmacology and mechanism of action of soft tissue hyaluronic acid-based dermal fillers.
- Review the mechanism of action of soft issue dermal fillers
- Identify patient characteristics that support or contraindicate use of HA dermal fillers
- Identify facial areas for which treatment with dermal fillers is appropriate
- List the proper dosing regimens for various dermal fillers
- Describe injection techniques for the various dermal fillers per injection site
- Explain the differences in dosing regimens for various dermal fillers
- Discuss the duration of action and potential side effects for each dermal filler per injection site

Faculty

Joseph Russo, MD

Program Agenda

2.5-hour online activity

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Global Education Group (Global) and Aesthetic Mentor. Global is accredited by the ACCME to provide continuing medical education for physicians.

* This CME/CE activity complies with all requirements of the federal Physician Payment Sunshine Act. If a reportable event is associated with this activity, the accredited provider managing the program will provide the appropriate physician data to the Open Payments database.

Physician Credit Designation

Global Education Group designates this enduring material for a maximum of 2.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Continuing Education

Global Education Group is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity for 2.5 contact hours including 0.0 pharmacotherapeutic contact hours is provided by Global Education Group. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Relevant Financial Relationships

Global Education Group (Global) adheres to the policies and guidelines, including the Standards for Integrity and Independence in Accredited CE, set forth to providers by the Accreditation Council for Continuing Medical Education (ACCME) and all other professional organizations, as applicable, stating those activities where continuing education credits are awarded must be balanced, independent, objective, and scientifically rigorous. All persons in a position to control the content of an accredited continuing education program provided by Global are required to disclose all financial relationships with any ineligible company within the past 24 months to Global. All financial relationships reported are identified as relevant and mitigated by Global in accordance with the Standards for Integrity and Independence in Accredited CE in advance of delivery of the activity to learners. The content of this activity was vetted by Global to assure objectivity and that the activity is free of commercial bias.

Global Contact Information

For information about the accreditation of this program, please contact Global at 303-395-1782 or cme@globaleducationgroup.com.
