

COSMETIC INJECTABLES: ADVERSE EVENTS

CME/CE INFORMATION

This activity is jointly provided by Global Education Group and Aesthetic Mentor.

Target Audience

The educational design of this activity addresses the needs of all healthcare professionals.

Statement of Need/Program Overview

The purpose of this activity is to provide healthcare professionals who perform cosmetic injections with the knowledge of assessment and managing adverse events related to cosmetic procedures.

Program Agenda

1.25-hour OnDemand Online Activity

Educational Objectives

After completing this activity, the participant should be better able to:

- Explain the mechanism of action of neurotoxins
- Explain the mechanism of action of dermal fillers
- Identify potential adverse reactions associated with the use of neurotoxins and dermal fillers
- Recognize the symptoms of adverse reactions, including immediate and delayed responses
- Differentiate between common adverse reactions such as erythema, swelling, bruising, and more severe complications like necrosis and vascular compromise
- List risk factors predisposing patients to adverse reactions to neurotoxins and dermal fillers
- Identify strategies for risk mitigation during neurotoxin injections.
- Identify strategies for risk mitigation during dermal filler injections.
- Explain how to assess adverse reactions promptly and accurately.
- Describe treatment options for severe adverse reactions, including infections, and vascular compromise.
- Review appropriate protocols for managing adverse reactions in various anatomical areas.

Faculty

Joseph Russo, MD

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Global Education Group (Global) and Aesthetic Mentor. Global is accredited by the ACCME to provide continuing medical education for physicians.

* This CME/CE activity complies with all requirements of the federal Physician Payment Sunshine Act. If a reportable event is associated with this activity, the accredited provider managing the program will provide the appropriate physician data to the Open Payments database.

Physician Credit Designation

Global Education Group designates this enduring material for a maximum of 1.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Continuing Education

Global Education Group is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity for 1.25 contact hours including 0.0 pharmacotherapeutic contact hours is provided by Global Education Group. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Relevant Financial Relationships

Global Education Group (Global) adheres to the policies and guidelines, including the Standards for Integrity and Independence in Accredited CE, set forth to providers by the Accreditation Council for Continuing Medical Education (ACCME) and all other professional organizations, as applicable, stating those activities where continuing education credits are awarded must be balanced, independent, objective, and scientifically rigorous. All persons in a position to control the content of an accredited continuing education program provided by Global are required to disclose all financial relationships with any ineligible company within the past 24 months to Global. All financial relationships reported are identified as relevant and mitigated by Global in accordance with the Standards for Integrity and Independence in Accredited CE in advance of delivery of the activity to learners. The content of this activity was vetted by Global to assure objectivity and that the activity is free of commercial bias.
