Uplifting Colorado Literacy: A Heartfelt Thank You to Global Education Group

At Burning Through Pages, we believe in the power of books to inspire, connect, and empower young readers. This year, thanks to the remarkable generosity of Global Education Group, we have been able to sustain and expand one of our cherished initiatives—a peer-led book club designed for elementary students.

Global Education Group's donation fully supports an entire year of this book club, with one of the most meaningful aspects being the support for two high school students working in their first jobs. Our high school peer-leads earn a sustainable wage—the most, not the least—as they mentor young readers, develop their leadership skills, and make a lasting impact on their community. With GEG's support, each student not only gets to keep every book they read in the club but also celebrates each finished book with a pizza party and engages with materials designed to strengthen their reading comprehension. On average, students leave with a sense of companionship and an improvement of over a grade level in reading.

Thank you, Global Education Group, for ensuring the continuation and enhancement of this vital work.

GEG's sponsorship is a major reason we are on the brink of reaching our most ambitious fundraising goal since we began in 2011. This milestone means more resources, more outreach, and more chances to connect young readers with literature that sparks their curiosity and growth. We are incredibly grateful to Global Education Group for this partnership and look forward to sharing the impact of their gift with our community in the year ahead. Thank you for believing in our mission and in the potential of every young reader we serve.

With sincere gratitude,

The Burning Through Pages Team
